

Film Fest 2014 "Ball 'N' Chain" Character Descriptions

- **Richie (17)**
 - He's your average teenager. He's nice, considerate, and really doesn't have a bad streak. Although he gives into peer pressure from Ryan he's never gotten into this kind of trouble in his life.
- **Randy (17)**
 - Tall, lanky, kind of geeky looking. He seems pretty nervous and jittery throughout the whole situation. He obviously knows what he's doing is wrong but doesn't want to say no to his two best friends.
- **Ryan (16)**
 - Short and sleazy. He's the mastermind behind the whole situation. He easily manipulates his friends into doing what he wants. He thinks he has the whole plan down but loses focus on what exactly he's planning to do. Never thinks of the consequences and always puts his own self-interest before anyone else's.
- **Cousin Ray (20s)**
 - Sleazier and worse than Ryan, he's obviously taking advantage of his cousin and every scene he's in he needs gives off a pompous and villainous vibe
- **Mr. Redman (55-65)**
 - He looks older than his age, reminiscent of Larry King.
- **Ricky Redman (20-30)**
 - Tall and menacing. He looks like a force to be reckoned with and through the whole film he doesn't have a smile on his face at all. He should have the frame of a defensive tackle.
- **Richie's Father (40-50)**
 - Typical suburban father looking. He's a bit incompetent and afraid of the two police officers.
- **Richie's Mother (40-50)**
 - Typical suburban mother looking. Obviously wears the pants in the relationship.
- **Police Officer 1 (30)**
 - Chubby. Looks like the stereotypical "doughnut eating" police officer.
- **Police Officer 2 (30)**
 - Average police officer, reminiscent of Detective Cooper from Twin Peaks.
- **Ball n' Chain Lead Singer (25-30)**
 - Really tall and really drunk. He needs to play up how intoxicated he actually is.
- **Ball n' Chain Drummer (20-25)**
 - Shorter, blonde hair. Pissed off at lead singer for being drunk.
- **Ball n' Chain Guitarist (20-25)**
 - Taller, brown hair. Also pissed off at lead singer for being drunk.
- **Ball n' Chain Bass Guitarist (25-30)**
 - Taller, brown hair. Super pissed off at lead singer for being drunk.
