

# *Fiddler on the Roof* Children's Chorus Cast List (in alphabetical order)

Thank you to all who auditioned. Each child did an amazing job and shows wonderful potential. We sincerely wish we were able to take everyone. Unfortunately, with a cast of high school students that already numbers over sixty, space is limited. Parents, if your child was cast you will receive information about rehearsal schedules, contact information, and other resources later in the day. Thank you all once again. Whether you have been cast in this show or not, I cannot wait to work with each and every one of you when you enter the building as freshmen in just a few short years!
